

**PARKLAND  
HIGH SCHOOL**

**T-STEM  
ACADEMY**

*Engineering Toward the Future...*

## **VISION STATEMENT**

All students who enroll in the T-STEM Academy will graduate from high school as leaders of the community with the work skills of the 21<sup>st</sup> century fully prepared to enter college.

## **MISSION STATEMENT**

Focusing on an Engineering Pathway through school and work-based experiences, students will develop 21<sup>st</sup> century skills by increasing student engagement through a more rigorous and innovative curriculum in technology, science, engineering and math.
