50-69

Problems correct/work shown

10-12

7-9

5-6

1-4

2. How do we get credit? Work the problem correctly, **Showing your work or explaining your method on each problem.** Merely having the correct answer does not give you credit for that problem.

3. You will use your QR scanner to find your next location if you have answered the question correctly.
4. You will record your work for each problem given to you in this packet. Show your work for each problem on the corresponding page. Be sure you show work; this is A TEST GRADE so show us you know what you are doing.
5. During the race you have unlimited time on each problem; HOWEVER at 7 minutes before the end of class, STOP RACING and GO BACK TO CLASS!!!

1st 9:48 2nd 10:48 3rd 11:48 4th 12:53
5th 2:23 6th 3:23 7th 4:23

At these times, return to class!!!

READY, SET, RACE!!
